WARRANT FOR ANNUAL TOWN MEETING

THE STATE OF NEW HAMPSHIRE

[L. S.]

To the inhabitants of the Town of Tilton in the County of Belknap, qualified to vote in town affairs:

You are hereby notified to meet at the Town Hall in said Town on Tuesday, the 11th day of March next, to act on the following subjects:

1. To choose a Town Clerk and Town Treasurer for a term of one year, one Selectman for a term of three years, one Road Agent for the ensuing year, one Trustee of Trust Funds for term of three years, and two Auditors for the ensuing year.

2. To see how much money the Town will vote to raise for Memorial Day expense.

3. To see how much money the Town will vote to raise for the care of Cemeteries.

4. To see if the Town will vote to raise \$200 and appropriate the same for the use of the Laconia Hospital.

5. To see if the Town will vote to raise and appropriate the sum of \$400 for White Pine Blister Rust control to be spent in co-operation with the State Forestry department.

6. To see if the Town will vote to raise and appropriate the sum of \$174.98 to obtain Town Road Aid from the State.

7. To see if the Town will vote to petition the State Tax Commission to have an audit made by the division of Municipal Accounting and make an appropriation to cover the expense of such audit.

8. To see if the Town will vote to raise and appropriate the sum of \$240.00 which is $\frac{1}{100}$ of 1 per cent of the assessed valuation of the Town, to the Lakes Region Association for the purpose of publicizing and promoting the natural advantages and resources of the Town, in co-operation with other towns in the Lakes Region.

9. To see if the Town will vote to raise and appropriate the sum of \$200.00 to cut down two trees in front of the Stucco block at 200-206 Main Street. (By request.)

10. To see if the Town of Tilton will raise and appropriate the sum of \$600.00 to install public toilet facilities in the basement of the Town Hall and \$250.00 annually for the care and maintenance of said public toilet facilities. (By request.)

11. To see if the Town will vote to create a Park Commission to have charge of children's recreation and beautifying the Town.

The moderator to appoint one member for one year and one member for two years, and thereafter one member to be elected each year to serve two years; to serve without pay and in conjunction with the Superintendent of Schools and a like committee to be chosen from Northfield.

12. To see if the Town will vote to raise and appropriate annually the sum of \$200.00 for recreational purposes to be expended under supervision of the Park Commission.

13. To see if the Town will vote to raise and appropriate the sum of \$30.00 to repair its parks and monuments and to raise and appropriate annually the sum of \$200.00 for their up-keep. (By request.)

14. To see if the Town will vote to allow a discount on early paid taxes.

15. To see if the Town will vote to allow the Selectmen as agents of the Town to administer or dispose of any property acquired by tax deed.

16. To see how much money the Town will vote to raise for all purposes for year ensuing.

17. To see what action the Town will take in regard to the reports of its officers and agents.

18. To choose any other officers or agents for the year ensuing.

19. To see if the Town will vote to borrow money in anticipation of taxes.

20. To transact any other business that may legally come before said meeting.

Given under our hands and seal this 21st day of February, A.D., 1946.

JOSEPH D. ROBERT,
CHARLES A. FRENCH,
MYRON L. MESERVE.
Selectmen of Tilton.

TILTON AND NORTHFIELD FIRE DISTRICT WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of Tilton Fire District, qualified to vote in District Affairs:

You are hereby notified to meet in Tilton Town Hall, Friday, March 14, 1947, at 7:30 o'clock in the afternoon to act upon the following subjects:

1. To choose a moderator for the ensuing year.
2. To choose a clerk for the ensuing year.
3. To choose a treasurer for the ensuing year.
4. To choose three firewards for the ensuing year.
5. To choose an auditor for the ensuing year.
6. To hear the reports of the treasurer and firewards and pass any vote relating thereto.
7. To see if precinct will vote to dispense with the services of night watchman. His services are no longer required as night watchman under present fire alarm system. This officer should be under the jurisdiction of the selectmen of both towns.
8. To see how much money the district will vote to raise for the pay of administration, firemen, nightwatchmen, and other incidental expenses.
9. To see if precinct will vote to eliminate from the water contract for hydrants, Hydrant No. 5 in Tilton located on East Main Street at Railroad Crossing and Hydrant No. 5

in Northfield located on Elm Street opposite Upper Bridge. The above Hydrants are of no benefit to the precinct.

10. To see what action the district will vote to take in regard to renewing the lighting contract and raise money for same.

11. To see what action the district will vote to take in regard to renewing the water contract for hydrants and raise money for same.

12. To see if precinct will vote to install a light on East Main Street near residence of John Crawford and raise money for same. (By request)

13. To see if precinct will vote to install a light on Park Street at intersection of Elm Street, also two additional lights on Park Street to be left to discretion of Firewards and raise money for same. (By request and Petition)

14. To see if precinct will vote to install a light on High Street between residence of Asa Thompson and Herbert Shiatte and raise money for same. (By request)

15. To see if precinct will vote to install another light on Prospect Street at discretion of Firewards and raise money for same. (By request)

16. To see if precinct will vote to purchase three new Fire Alarm Boxes; two for installation on Main Street and one for emergency. One of present boxes to be installed near residence of A. A. Carr in Northfield and the other on Coffran Avenue, and raise money for same.

17. To see if the precinct will vote to install a street light on Winter Street near residence of Fred Harrison and raise necessary money for same. (By petition)

18. To see if the precinct will vote to take \$900.00 from amount voted at March meeting in 1946 for stand pipes and apply same towards purchase of Radio Equipment for Fire Station.

19. To transact any other business that may legally come before the meeting.

Given under our hands this 20th day of February, 1947.

ARTHUR A. COVIEO,
ROY A. JORDAN,
GEORGE E. PLUMMER,
Firewards.

TILTON AND NORTHFIELD FIRE PRECINCT

To the Inhabitants of Tilton and Northfield:

It is a pleasure at this time to submit to you a brief summary of the activities within the Precinct under our jurisdiction during the past year.

We deeply regret the delay in installing the Stand Pipes voted at our last annual meeting, but priorities and scarcity of certain connections have prevented the contractor from completing the installation. We have been assured that the pipes will be available by early spring.

The purchase of a rescue car and equipment to meet our requirements has been completely out of the question. We have used every means possible to make contact with some company selling such cars, and thus-far we get the same reply, "sometime". We trust one may be available in the near future.

The new electric hose dryer has been installed and so-far has proven itself ideal in every respect. The hose is dried more effectively and without any strain on the couplings as compared with the old method of being strung up in a loft; and they are also far more accessible in case of an emergency.

During the past year considerable work has been done towards repairing and installing new wires to the fire alarm system. There remain many items to be completed at an early date in order to have same function effectively; such as, replacing insulators, cutting out limbs, pulling up slack wires, and etc.

During the summer months, the members of Engine No. 1 and Engine No. 2 have faithfully attended the weekly practice meetings which has greatly increased their efficiency in han-

dling the equipment alloted each member at a fire.

The inspection of homes by the firemen during the year has proven most beneficial, and the very fine cooperation given the firemen by you citizens at the time of inspection is greatly appreciated. We are certain from our observation that many fires have been prevented by your acceptance of the advice and instructions from the members of the fire department during the inspection. The merchants and others in the business section are to be commended for their fine cooperation in keeping basements and premises clean and free from combustible materials.

Early last Fall, we were given a demonstration of the auto two-way radio. Everyone present was greatly impressed with the fine reception brought into the Fire Station from autos located at Soldiers' Home, Lochmere, Haggett Farm in Northfield and other locations; contact was also made with stations in Concord and Franklin. We sincerely hope that the Towns of Tilton and Northfield may see their way clear to purchase and install one of these radios.

There were 27 more fire alarms during the year than the previous year; 19 of these being house calls caused by chimney fires with no great damage resulting. May we suggest at this time that you pay closer attention to your chimneys and have them cleaned at least once during the year. This may be the means of saving you a great deal of trouble and expense, providing a large quantity of chemical has to be used in extinguishing same.

Article No. 15 in the Warrant calls for the elimination of the night watchman. This position originated years ago, previous to the installation of the alarm system, merely as protection in case of fires within the precinct. Now that we have an up-to-date alarm system that anyone can operate

by simply pulling down a lever within the fire alarm boxes which are conveniently located about the precinct, we do not consider it necessary to have a night watchman. This man should be employed by the two towns as an officer to work in conjunction with a day officer, and the expense borne by the towns instead of the precinct as at present.

We have been approached by many citizens living just outside the precinct limits, relative more efficient fire protection. We believe some way should be provided to assist in the protection of their homes, and also assist in reduction of their insurance rates. Several conferences have been held with the officials of both towns, and the consensus of opinion has been that added protection could be given these home owners by installing three water holes; one to be on School Street, one on the Cross Road, and one on Park Street. The cost will be negligible compared with the amount of taxable property that could be saved in case of a conflagration; whereas, at present they have no protection. Due consideration should be given this vital subject.

In closing, may we express our sincere thanks and appreciation to the firemen for their loyal support during the past year; and to you citizens of Tilton and Northfield, allow us to express our appreciation for your whole-hearted cooperation at all times. Your willingness to cooperate in our financial requirements has made it possible to build and equip what we consider an up-to-date fire station with apparatus and members of two engine companies excelled by none within the state for its size.

Respectfully yours,

ARTHUR A. COVIEO,
ROY JORDAN,
GEORGE PLUMMER,

Firewards.

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

Belknap ss.

*To the Inhabitants of the Tilton and Northfield Union
School District, qualified to vote in District affairs:*

You are hereby notified to meet in the Assembly Hall of the Union School in said District, on Wednesday, March 12, 1947, at 8:00 p.m. to act upon the following subjects:

1. To choose a Moderator for the ensuing year.
2. To choose a Clerk for the ensuing year.
3. To choose a Treasurer for the ensuing year.
4. a. To choose a member of the School Board to serve for three years, to fill the vacancy arising from the expiration of the term of office of Helen T. Randall, and
b. To choose a member of the School Board to serve for three years, to fill the vacancy arising from the expiration of the term of office of Joel E. Nordholm.
5. To hear the reports of agents, auditors, committees, or officers heretofore chosen and pass any vote relating thereto.
6. To choose agents, auditors and committees in relation to any subject embraced in this warrant.
7. To determine and appoint the salaries of the school board and other district officers.

8. To see if the district will vote to make any alterations in the amount of money required to be assessed for the coming year for the support of public schools and the payment of the statutory obligations of the district, as determined by the school board in its annual report.

9. To see if the district will authorize the school board to use school funds to purchase, maintain, and operate school conveyances where necessary, to transport pupils to the schools to which they are assigned.

10. To see if the district will authorize the school board to use funds appropriated for the construction of a coal pocket at the high school for the purchase of a station wagon for the transportation of pupils.

11. To see if the district will authorize the School Board to apply for and accept for the district available Federal funds to finance the employment of architectural services and the preparation of plans for any proposed school building changes.

12. To see if the district will authorize the School Board to acquire by purchase, exchange, or eminent domain a small part of the land adjacent to the school grounds, known as part of the former Charles E. Tilton Estate Park.

13. To see what sum of money the district will vote to raise and appropriate to match allotted Federal funds of One Thousand Two Hundred Fifty Dollars (\$1,250.00 for the operation of a school lunch program at the Union School or the purchase of equipment.

14. To see what sum of money the district will vote to raise and appropriate for the purchase of bleachers for the high school gymnasium.

15. To see if the district will vote to have the school board let school buildings for public Sunday athletic programs, and to raise funds to pay the added expenses incurred.

16. To transact any other business that may legally come before this meeting.

Given under our hands at said Tilton this eighth day of Jaunary 1947.

JOEL E. NORDHOLM,
WINNIFRED F. WALKER,
HELEN T. RANDALL,
JOHN W. CRAWFORD,

REPORT OF THE SUPERINTENDENT OF SCHOOLS

*To the Members of the School Board, Parents, and Voters
of the Tilton and Northfield Union School District:*

The schools are still in the throes of adjusting themselves to trying conditions. Costs of scholars' supplies are rising, teachers are being enticed to higher paying positions elsewhere, enrollments are increasing, and school needs in this "international age" are great. The conditions under which the schools have been maintained since the last annual report are recorded herein.

BUILDINGS AND EQUIPMENT

Maintenance, Operation, Repair Union School

The Union School in Northfield was built on honor. It is in an excellent state of repair and serves the needs of the pupils very well for a building of its age. If it were lost by fire, the replacement cost at this time would be very high.

The insurance coverage on the Union School would cover no more than one-third of its present replacement cost now. An investigation has been made into the matter of purchasing more insurance for this building and it has been found that, by insuring the structure to the limit of its sound value, several thousand dollars more protection can be obtained for a small yearly additional charge over current costs.

A representative of the Fire Underwriters group was invited and inspected the Union School in November to

ascertain the safety of the large number of pupils enrolled there. He suggested an additional exit to Vine Street which is to be installed in the summer of 1947, testing of the fire escape through sandbag loads, and providing better means of egress through windows to the fire escapes. He reported that the building is very well maintained.

A tenth classroom at the Union School was opened on January second, to relieve the heavy overload of pupils in classrooms in the four second-floor rooms. A portion of the assembly hall on the third floor was separated from the main room by movable partitions and blackboards. Unused seats and desks stored in the attic were attached to skids so they could be moved easily about the newly established classroom to allow for use of the whole assembly hall by an audience on occasion.

Red Barn

The "red barn" which was moved to the rear of the high school building is being remodeled for increased shop space by the older boys. Considerable progress on this project was made during the warm fall weather and it is hoped that the work can be completed this spring.

Bleachers

The attendance at basketball games in the high school shows a great interest of adults in athletics, but to accommodate them along the side lines of the basketball court is a problem. Those in the rear seats must either raise themselves on the seats or stand above the heads of those in front in order to see the game. Bleachers would probably eliminate this struggle to witness the contests among the players.

Attendants at games like to relax between periods by smoking. That little smoke could interfere with the breathing

of the players on the court, places for adults to smoke have been provided near the main entrance.

Athletic Field

The development of an athletic field at the high school will probably become a project of importance in the near future. To have sufficient parking space and adequate approaches, it would be desirable to own a triangular piece of land in the northwest corner of the Park. The District owns land along the lane leading from West Main Street to Winter Street which could be exchanged for the plot near the proposed athletic field, and which has real value as house lots.

Coal

A coal supply has been kept up at both buildings during the last few years to insure adequate fuel during extended emergency periods. The coal purchased this year was delivered into the school bins by the Tilton Coal and Supply Company at cost.

Typewriters

As soon as new typewriters came on the market, eight new ones were procured for the commercial department in an exchange for eight much used machines.

TEACHERS AND SUPERVISORS

High School

Several changes on the staff at the high school were made during the summer months of 1946. Mr. Wilfred C. Wolffer of Milford, veteran of World War II, graduate of Keene Teachers' College, was employed to take charge of the shop program replacing Mr. Arthur W. Abbott.

Miss B. Barbara Fluri contemplated marriage so Mr. Earl Q. Sanborn of Ashland, graduate of Plymouth Teachers' College, was secured to teach Commerce subjects and supervise the high school office.

Miss Sally A. Kott of Manchester, former teacher in the Belmont High School, transferred to the Home Economics department here to take the place of Miss Merle Fottler, who became Mrs. Kincaid.

Miss Hortense A. M. Levesque of Nashua contemplated marriage. Her position was accepted by Miss Virginia E. Rochelle of Nashua, Rivier College Graduate, with high honors in languages.

Miss Jessie L. Dutrizac of Laconia, former Home Economics teacher in Belmont and Windsor, Vermont, accepted a contract to head the Department here when Miss Harriet B. Schricker decided to be employed in Nashua.

Mrs. Amy Seaver Tibbetts assumed her place in the family household at the close of the school year. To teach Aeronautics and Chemistry, a veteran meteorologist from the Army, Mr. Donald B. Chesley of Farmington, came to the high school staff.

Miss Jane R. Vogel, decided to secure a music supervisor's certificate and took the year for study. Mr. Arthur G. Lucier, veteran, with several years' employment in local industry, was employed to teach Social Studies.

Mr. Homer P. Ransom's services on a part-time basis are available to us for instruction in Mathematics so Mr. Donald C. Taylor could be freed for the Veterans' Agricultural Program.

Union School

At the Union School, a great majority of the very efficient teachers were reemployed. The two changes which occurred

were in conformity to an employment policy.

Mrs. Helen H. Rego accepted appointment in Belmont. Miss Evelyn A. Page of Gilmanton, discharged from the Waves in August, with pre-war teaching experience in New Durham, was obtained for Mrs. Rego's position.

Mrs. Frances B. Smith, who replaced Miss Irene B. Luneau near the middle of the last school year, is employed in Franklin. That position was filled by the transfer from the Gilford Grade School of Miss Natalie Smith of Haverhill.

On January second, Miss Beatrice A. Pelletier, former teacher here for several years, become the tenth full-time member of the staff of the Union School and took charge of the recently-established classroom in the assembly hall.

Change in Headmasters

In the late fall, the State Board of Education wished to have Mr. Donald F. Piper, influential headmaster here for the last three years, become the Director of Youth Services for the State Department. He was released with real regret to assume his new duties on December 16th.

The transition from one school head to another was effected very quietly and smoothly by having Mr. Russell S. Hanson take over the headmaster's responsibilities here on December 4th. Mr. Hanson shows a great interest in the sports, activities, and education of young people. He has taught in three schools and has been headmaster in Bristol and Troy. He had a chance to work and be with Mr. Piper for nearly two weeks in December so the policies and practices in effect had no abrupt modification through unacquaintance.

The School Board, citizens, teachers, and pupils wished Mr. and Mrs. Piper well in this new undertaking at a public program on December 11, and at the same time welcomed Mr. and Mrs. Hanson.

Possible District-Owned Bus

Mr. Charles Gilman has furnished a large car to transport pupils from Zions' Hill and Cross Road for several years. He sold his conveyance and a search was made to obtain someone to render this service. No one possessed a vehicle which could be approved by the Motor Vehicle Department.

Faced with the lack of suitable means of carrying children to school, four school board members signed a personal note with the Citizens National Bank to back the purchase by the District of a new Ford station wagon. This was put in operation upon its delivery here and is being driven by Mr. Elmer Simmons, one of the janitors at the high school and housed in a garage on Vine Street. The District is paying for the driver and for garage, gasoline and oil. The voters attending the School District Meeting in March will be asked to authorize the school board to purchase, maintain, and operate school conveyances where necessary, to transport pupils to the schools to which they are assigned. When this course has been approved, funds already appropriated and unused for the construction of a coal pocket at the high school can be transferred to pay the major part of the cost of the bus.

Area Vocational School in Laconia

The 1945 Legislature established two State Trade Schools and several area vocational schools. To Tilton, the nearest Area Vocational School is the one now being operated in conjunction with the day sessions of the Laconia High School.

The subjects offered to pupils in high school are:

Agriculture (IX - XII)

Home Economics (XX - XII)

Commerce (XI - XII)

Secretarial work

Clerical work

Accounting or Bookkeeping work

General Office Machine Operation

Distributive Education (XI - XII)

Actual store training in selling for 15 hours
per week

Machine Shop (XI - XII)

Power driven metal working machinery

Any district from which a boy or girl attends an area vocational school has a reimbursement from State funds for tuition paid.

Veterans' Program in Agriculture

Last summer the Veterans Administration initiated a plan for training veterans on farms. The Tilton-Northfield High School was the first one in New Hampshire in which this plan was started.

The veterans are taught by regularly employed teachers of Agriculture. Since a majority of the veterans desiring this instruction lived near Laconia, a room in the Laconia High School was hired from the Laconia School Department. Here, the veterans come in two different groups for four hours of instruction on Tuesday and Thursday evenings. Mr. Donald C. Taylor was released after morning classes at Tilton to spend the afternoons on the farms where the veterans are being trained in practical farm operations.

The contract made by the Tilton-Northfield School Board with the Veterans Administration calls for at least 8 hours

of classroom instruction per month per veteran and not less than 200 hours per year of this off-farm instruction. Each veteran is to receive at least 50 hours per year of individual on-farm instruction per year with not less than one farm visit per month. In addition, his employer must teach him the farm operations.

Mr. Taylor has two groups of ten men each in the Tuesday and Thursday night instruction periods, all studying the different aspects of Agriculture in which they have most interest.

The teacher is reimbursed for travel costs, is paid his regular school salary and a sum for teaching each group evenings, and receives reimbursement for expenses incurred in the program.

The Veterans Administration pays the Tilton-Northfield Union School District according to the attendance of the veterans and in case to exceed \$200 per veteran for the year's instruction in Vocational Agriculture. This should cover all anticipated expenses for which the District is liable under the V. A. Contract, space for classroom, shop facilities for the repair of farm machinery, light, heat, power, scholars' supplies, farm shop supplies, reference books, teaching films, and transportation of veterans to a shop or on instruction trips.

School Lunches

The School Board has made contracts through the State Board of Education in the National School Lunch Program so the Production and Marketing Administration of the U. S. Department of Agriculture furnishes funds for the subsidizing of lunches for pupils.

An award of several hundred dollars has been received from Federal funds for the purchase of equipment to be

used in a lunch program at the Union School. When a kitchen, cooking facilities, and personnel can be obtained, it should be possible for small children to purchase a complete meal at noon in the Union School, but no date has been set for starting to furnish meals.

At the high school, lunches have been served in the past. Due to lack of utensils, cutlery, and dishes, it was decided not to open the cafeteria for serving meals until all essential equipment could be purchased. It is anticipated that the high school pupils can buy their noon meals for a quarter after the receipt of necessary serving articles.

Awards to Graduates

In May 1946, the University of New Hampshire announced awards of scholarships. About one-tenth of the total number of awards were given to Tilton-Northfield High School graduates.

George Engelhardt Scholarship

To a high-ranking man : Kenneth Cotton
New Hampshire Branch of National Civic Federation scholarship

To the woman majoring in the economics department who is judged most worthy on the basis of scholarship, character, and leadership : Ernestine E. Cannon

Mortar Board Scholarship Award

To the woman student in the freshman class who attained the highest academic average : Jacquelyn A. Crawford

High School Costs

Each year the State Board of Education publishes the "Costs of Instruction" for the high schools of the State. In the latest list, there were over 80 high schools recorded. The lowest, per pupil cost on the list is indicated as No. 1. Tilton-Northfield's place was 15th from the lowest, (\$107.60 per

pupil) while the State average was \$123.79. Tilton-Northfield's cost was about \$16 less per pupil than the average for all New Hampshire high schools listed.

Tuition Rate

On the basis of the State reported figures on "costs of instruction," the School Board has set \$100 as the tuition charge for the 1946-47 school year.

Pupils from the Lechmere section of Belmont, Canterbury, and Sanbornton attend the Union School and the Tilton-Northfield High School. Most of these are transported free of charge on Tilton-Northfield school buses.

Closing Exercises

In 1946, Baccalaureate Sunday Exercises were held in the Tilton-Northfield High School gymnasium, Sunday evening, June ninth. The Rev. Clinton L. Morrill, Rector St. Thomas' Church, Dover, N. H., Marine Chaplain with South Pacific experience in World War II, gave the address. Mr. Webb Tilton sang "The Lord's Prayer."

Class Day was held on Wednesday afternoon, June twelfth. Headmaster Donald F. Piper gave awards as follows:

American Legion Freshman Citizenship Awards

Grace Gilbert

Robert Shea

Tilton Holy Name Society Awards

Home Economics

Rita Boudreau

Shop

William Storey

Channing T. Sanborn Music Award

Allison Sanborn

Liberty Chapter, D.A.R. Citizenship Certificate

*Mildred Ellen Dunlop	Harriet Dinsmore Stone
William Theodore Durand	Clayton William Storey
*Mary Ellen Fife	Joan Whittier
	*Josephine Drakw Wyatt

* Scholastic Honor

Veterans

A few veterans have enrolled in the high school this year. Some others have taken the General Educational Development Tests (G.E.D.) and have been granted High School Equivalency Certificates by the State Board of Education.

School Board Association

The School Board has secured membership in the New Hampshire School Boards Association and, by so doing, all members are entitled to attend the meetings of the State organization.

The Supervisory Union representative is the Chairman of the Gilford School Board.

Additions to School Plants

Two needs are emerging to make evident possible expansion of present school facilities: (1) Greater enrollments in the Union School point to the necessity of adding or making two new classrooms; (2) Larger numbers of girls taking Home Economics in the High School interfere with noon lunch preparation and crowd the cafeteria space, indicating

the possible addition on the rear of the building to house a cafeteria and school lunch kitchen.

Advancement

The theme which is guiding the teachers in their work with pupils this year is: "Our Thinking in the Future Must be Worldwide." In advancing this theme, a teachers' meeting was held at the opening of the fall term. At this the State Director of Elementary School Services, Miss Gertrude M. Lewis, spoke on "Geography for All Learners." The school nurse, Mrs. McCook, used a colored film, "Teacher Observations of School Children."

CONCLUSION

In submitting this seventh annual report, it is a pleasure to express my appreciation again to the members of the school board, the teachers, the nurse, the janitors, the bus drivers, and the citizens for their efforts and interest in supporting good schools.

Respectfully submitted,

DONALD P. MATTOON.
